Hi Mikie

After digging into this a bit, Mel informed me that this bill should be paid directly by the IVGC golf club. I will forward this to their club president for processing right away.

If you have any questions or there's another process we should take with this invoice certainly let me know.

Thanks Mikie

Ivgc is responsible for paying those fees.

Mel, the attached invoice is for IVGC and their annual NCGA Handicap Renewals. Do you remember in previous years if we pay this invoice and then bill the club directly? Or do they pay the invoice since it is addressed to their club? I've got an email to McCloskey to see if he can help, but I thought you may be able to help with this as well.

Thanks Mel!
